Rustic Land - 2.5 ha - Tapada - Almeirim

Rustic land, very well located, with 2.5 ha in Tapada - Almeirim.

It has several trees and the quality of the soil, in agricultural terms, is good. It has several cultivation areas, clean and ready to work.

As far as infrastructure is concerned, the land is fenced and is prepared for electrification. Regarding access, it has direct access, to the north by the EN 114, Santarém - Almeirim. It has a second access, to the south, by a dirt road.

The land is not feasible for construction, although it has some support facilities, namely an old greenhouse, very degraded.
